PROOF OF COVID-19 VACCINATION TO EXPAND STATE-WIDE FROM MONDAY 31 JANUARY

Based on the latest health advice, from Monday 31 January, 2022, proof of COVID-19 vaccination requirements will apply state-wide and be expanded to include new higher-risk venues.

Proof of vaccination is already required to enter some venues and events in Perth and Peel.

From Monday 31 January, proof of vaccination for people aged 16 years and over will be required state-wide for:

- Visitors to public and private hospitals, and residential aged care facilities;
- All hospitality and food and licensed venues:
 - including restaurants, dine-in fast food, cafes, bars, pubs, clubs, taverns;
 - excluding food and non-alcoholic beverage takeaway, roadhouses, and service stations
- Bottle shops;
- Indoor entertainment venues, including play centres, gaming and gambling, theatres, concert halls, museums, cinemas and live music venues, including the Perth Convention Centre;
- Nightclubs;
- The Crown Perth complex;
- Major stadiums;
- Gyms, fitness studios and centres;
- Amusement Parks and the Zoo; and
- Music festivals and large events with more than 500 people, unless exempt.

Community sport and school-based events, unless at one of the specific venues listed, are excluded from the proof of vaccination requirement.

Venues, staff and patrons will all have a shared responsibility when it comes to showing proof of vaccination, with venues required to take reasonable steps to ensure all patrons are double dose vaccinated, or have a medical exemption.

The WA Government has launched the ServiceWA app – a free, convenient and secure mobile application that will help Western Australians with proof of vaccination requirements.

People can also show proof of vaccination either in a digital or paper-based form, along with acceptable forms of identification if they do not use the ServiceWA app to show proof.
