Megan has been working hard to bring new and exciting things to our library and has recently been successful in a Technology Grant through the Government of Western Australia and the State Library of Western Australia.

This means we will soon have an iPad and tablet available for use in our library. These will be great for library members to use to access online library resources like BorrowBox, Kanopy, Hoopla and many more! Please let Megan know if you would like assistance with setting up these accounts or if you would like further information.

Please note these items will not be available for loan.
