The IPR planning and monitoring cycle is continuous. The planning cycle requires all local governments to undertake a major review every four years.

Comment:

The review process commenced in September 2021 to include the facilitation of the community engagement series and workshops with Elected Members. With the completion of the review, the revised Integrated Strategic Plan integrates the Strategic Community Plan and Corporate Business Plan elements of the Western Australia's IPR Framework.

This Integrated Strategic Plan will be subjected to a major review requiring community engagement in 2025 as legislated. In addition, community priorities will be reviewed and updated annually to reflect changes to regional or local priorities, the budget and to service levels.

Our Integrated Strategic Plan reinforces our commitment to the people who live, work and visit our Shire and to regional co-operation and prosperity. The purpose of this document is to provide a clear purpose and strategic direction for our Shire, and to reinforce our commitment to regional cooperation to source the funding and support required to address the priorities detailed in this plan.
