Background:

This report is to inform Council of its obligation in relation to the audit requirements under the Local Government Act 1995 and the Local Government (Financial Management) Regulations 1996.

Comment:

Section 7.12A (2) requires a Local Government to meet with the auditor of the Local Government at least once in every year. A new format following last year's audit, which is strongly supported by the Office of the Auditor General (OAG), requires Council to hold both an Audit Entrance Meeting prior to the commencement of the audit, and an Audit Exit Meeting, which typically occurs at the completion of the audit.

The Audit Entrance Meeting provides an overview on how this year's audit will be undertaken and provides an opportunity for Councillors and staff to ask questions. The Audit Exit Meeting, which is to be held on completion of the financial statements and audit report, should provide the auditor the opportunity to highlight the key audit issues in a structured manner and provide the Council's Chief Executive Officer adequate opportunity to comment. Butler Settineri Pty Ltd has been engaged by the Office of the Auditor General to perform the audit of Council's accounts and Annual Financial Statement (2021/22).

Effective Audit Entrance and Exit Meetings are essential for good outcomes. In previous audits prior to the OAG involvement, the Audit Committee typically met with Council's auditors on an annual basis, generally on the presentation of the Annual Financial Report and Audit Report. Now that all Local Government audits are under the control of the OAG, the Audit Committee meets with Council auditors twice yearly through the audit entry and exit meetings.
