#### Background:

This item presents the 2023/2024 Annual Report and Audited Financial Report to the Audit & Risk Committee for consideration and, if satisfactory, recommendation to Council for adoption.

The Annual Financial Statements for the year ended 30 June 2024 have been audited by Armada Auditing, under the Office of the Auditor General (OAG).

The 2023/2024 Annual Report, audited financial report and OAG's Opinion Letter are included as attachments to this item.

#### Comment:

Pursuant to its Terms of Reference, it is relevant that the Audit & Risk Committee considers the 2023/2024 Annual Report and where appropriate, makes recommendation(s) in respect of the report.

In accordance with Section 7.9 of the *Local Government Act 1995*, an Auditor is required to examine the accounts and annual financial report submitted by a local government for audit. The Auditor is also required, by 31 December following the financial year to which the accounts and report relate, to prepare a report thereon and forward a copy of that report to:

1. The Mayor or President;
2. The CEO of the local government; and
3. The Minister.

The Opinion Letter included as Attachment 7.1c provides an overview of the audit process and outcomes. A separate management letter has been issued and was presented to Council at the Audit Exit Meeting held during the November 2024 OCM. The findings have been listed under heading "Discussions with the OAG and Auditors" later in this item.

The finalised Financial Report and Audit Opinion were received on 28 November 2024 following the Audit Exit Meeting held 20 November 2024.

Local governments are required to conduct an Annual Electors Meeting not more than 56 days after adopting the Annual Report. A requirement of setting the date is that 14 days Local Public Notice is required for advertising the meeting. To meet reporting requirements the Annual Electors Meeting should be held before Wednesday 12 February 2025.

### **Discussions with the OAG and Auditors:**

Representatives from the OAG and Armada Auditing conducted the Audit Exit Meeting during the November 2024 OCM. The OAG and Auditors discussed the audit process and their findings and gave an overview of their Independent Audit Opinion.

There were no significant findings. There was one moderate finding being 'asset depreciation rates' which management resolved in October 2024.

### **Consultation:**

### Background:

Section 5.56(1) of the Local Government Act 1995 requires all local governments to have a plan for the future of the district and under the Local Government (Administration) Regulations 1996, all local governments in Western Australia are required to have adopted two key documents: a Strategic Community Plan (SCP) and a Corporate Business Plan (CBP). Together these documents drive the development of each local government's Annual Budget.

The Integrated Planning and Reporting Framework and Guidelines (2016) issued by the DLGSC that guides the SCP and CBP process require that regular monitoring and reporting of these plans are undertaken. This quarterly update forms part of this key reporting process.

Council adopted the Integrated Strategic Plan 2022-2032 (which incorporates both the SCP & CBP) at its meeting held 20 April 2022. In 2024 a desktop review of the plan was undertaken and the updated plan was adopted at the June 2024 OCM as per resolution 120624.

### Comment:

To assist Council to meet its IPR requirements under the Local Government Act 1995, the Local Government (Administration) Regulations 1996, Shire staff have prepared the quarterly report, as attached to this item, for the Committee to consider and, if appropriate, recommend to Council that the quarterly scorecard be adopted and the Integrated Strategic Plan and Workforce Plan components be endorsed for publication.

**Strategic Implications:**

Shire of Koorda Integrated Strategic Plan 2024

4.1 – Open and transparent leadership.

4.1.1 – Ensure efficient use of resources and the governance and operational compliance and reporting meets legislative and regulatory requirements.

4.3 – Forward planning and delivery of services and facilities that achieve strategic priorities.

4.3.2 – Report to Council progress of Council Actions using a quarterly score card and report results to community.

**Risk Implications:**

The Risk Theme Profile identified as part of this report is Failure to Fulfil Compliance Requirements. The consequence could be Compliance if the requirements of both the Local Government Act 1995 and the Local Government (Administration) Regulations 1996 are not met in terms of the Shire having a plan for the future of the district. Another consequence could be Reputational if the public perceives that the Shire does not have the business planning tools in place to manage ratepayer money in transparent and accountable manner. The measure of Consequence is Minor, and the likelihood is Unlikely, giving an overall risk rating of Low. Both risks will be mitigated through adherence to the Integrated Planning and Reporting framework.

An initial report was tabled at the June 2023 Audit Committee Meeting and the attached Action Plan is an update on actions that have been taken within the past quarter to align with the quarterly reporting on the Integrated Strategic Plan.

**Consultation:**

Administration Staff

**Statutory Implications:**

*“the CEO is to undertake reviews of the appropriateness and effectiveness of the financial management systems and procedures of the local government regularly (and not less than once in every 3 financial years) and report to the local government the results of those reviews.”*

**Policy Implications:**

The review recommended some potential improvement opportunities to some of the Council’s policy. These will be considered separately by the Policy Review Committee and Council at the completion of the review process. Comments made in the FM Review relating to specific Policies and Procedures will be taken on-board as part of the review process.

**Strategic Implications:**

Shire of Koorda Integrated Strategic Plan 2024

4.1 – Open and transparent leadership.

4.1.1 – Ensure efficient use of resources and the governance and operational compliance and reporting meets legislative and regulatory requirements

**Risk Implications:**

The CEO would be contravening the *Local Government (Audit) Regulations 1996* if this review was not undertaken at least once every 3 financial years. The CEO is to report to the Audit & Risk Committee the results of this review.

The Financial Management, Risk Management, Legislative Compliance and Internal Controls Review covers a robust area of risk assessment and compliance with auditing in compliance with the Local Government Act 1995 and associated Regulations. The objective of this review is to identify risks to the organisation where non-compliant activities may have taken place enabling processes and procedures to be developed or reviewed and amended, if required.

### Background:

The Review of Financial Management, Risk Management, Legislative Compliance and Internal Controls helps an organisation accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control, and governance.

In addition to the Review of Financial Management, Risk Management, Legislative Compliance and Internal Controls undertaken by Moore in February 2023, as per the above item, Staff undertook an additional review, facilitated by LGIS, to understand the Operational Risks within the organisation.

The Risk Profile workshop, undertaken in October 2023, worked through 15 risk themes to identify what is the risk of this occurring at the Shire, both with and without controls, and what controls are, or should be in place.

Under the Risk Management Framework, the Shire utilises risk profiles to capture its operational and strategic risks. The profiles assessed are:

- Asset Sustainability
- Business and Community Disruption
- Community Engagement
- Compliance Obligations
- Document Management
- Employment Practices
- Environment Management
- Errors, Omissions and Delays
- External Theft and Fraud
- IT, Communication Systems and Infrastructure
- Management of Facilities, Venues and Events
- Misconduct
- Project / Change Management
- Purchasing and Supply
- WHS

For each category, the profile contains the following:

- Objective.
- Risk Event.
- Potential Causes.
- Key Controls / Control Type.
- Control Adequacy.
- Control owner.
- Risk Rating.
- Actions and Responsibility.

**Comment:**

This report has been presented to the Audit & Risk Committee as the committee has a role in supporting Council in fulfilling its governance and oversight responsibilities and provide the audit committee with the opportunity to raise any issues that the document has identified or ask any other questions, they may have in relation to our risk management and compliance activities.

The initial Risk Profile Report was tabled at the December 2023 Audit and Risk Committee Meeting. Similar to the FRM Action Plan, the Risk Profile will be tabled at the quarterly Audit & Risk Committee workshops as a tracking tool to determine progress made against the key themes and improvements towards any identified areas of improvement.

*“16 (c) to review a report given to it by the CEO under regulation 17(3) and is to –*

**Policy Implications:**

Shire of Koorda Risk Management Strategy 2023  
Policy “G - Risk Management” states;

**Risk Assessment and Acceptance Criteria**

*The Shire quantified its broad risk appetite through the development and endorsement of the Shire’s Risk Assessment and Acceptance Criteria. The criteria are included within the Risk Management Framework and as a component of this policy.*

*All organisational risks are to be assessed according to the Shire's Risk Assessment and Acceptance Criteria to allow consistency and informed decision making. For operational requirements such as projects or to satisfy external stakeholder requirements, alternative risk assessment criteria may be utilised, however these cannot exceed the organisations appetite and are to be noted within the individual risk assessment.*

**Strategic Implications:**

Shire of Koorda Integrated Strategic Plan 2024

4.1 – Open and transparent leadership.

4.1.1 – Ensure efficient use of resources and the governance and operational compliance and reporting meets legislative and regulatory requirements.

**Risk Implications:**

The Shire of Koorda has adopted a 'Three Lines of Defence' model for the management of risk. This model ensures roles, responsibilities and accountabilities for decision making are structured to demonstrate effective governance and assurance. By operating within the approved risk appetite and framework, Council, management and the community will have assurance that risks are managed effectively to support the delivery of the strategic, corporate and operational plans.

The Risk Profile covers a robust area of risk assessment. The objective of this review is to identify potential and actual risks to the organisation, determine the chances of these risks occurring within the organisation and identify key controls that are and should be in place to help reduce or mitigate the perceived risks.
