## DISTRICT PLATE CONVERSION

From December 6, the Department of Transport are offering customers who currently have eligible District series number plates (eg KD123) the choice to convert to an optional plate with the right to display and trade, for a fee of \$175.00.

This recent change allows customers to access a range of benefits including the ability to display the plate on a vehicle not in their name. This would also mean the plate holder owns the combination and can sell it and replace the plate if lost or stolen.

To convert a district plate, customers can call 13 11 56 or visit the office. For more information, please visit the Department of Transport website or call 13 11 56.

## LOCAL ROADWORKS

Koorda Kulja Road  
Cadoux Koorda Road  
Dowerin Koorda Road

Please expect delays on the above roads. We thank you for your patience.
