LOCAL ROADWORKS

Please be aware of the below resealing works being completed this week.

Burakin Wialki Road - between Kulja Central and Anderson Road

Koorda Dowerin Road

Koorda Kulja Road - between Koorda Mollerin and Watt Road.

Please note there may be short delays while travelling through these roadworks. We thank you in advance for your patience.

SNAKE REMINDER

With the warmer weather upon us, we have had reports of snakes in the townsite. We urge community members to be cautious and alert when out and about.

2022-2023 INTEGRATED PLANNING AND REPORTING (IPR) UPDATE

Following Council adoption in April 2022 of both the Integrated Strategic Plan and Workforce Plan, the Shire is pleased to provide the first quarterly update under the integrated planning and reporting framework on the pages directly after these Shire Notes.

CHRISTMAS LIGHT COMPETITION

It is almost that time of year again to dust off your Christmas lights and get planning!

Prizes will be on offer for Christmas light displays and award winners will be announced at the Community Christmas Tree.

RAV NETWORK ACCESS – SHIRE STAFF RESEARCH PROJECT UPDATE

Further to the recent request for nominations of Shire roads that transport operators or farmers would like to see added to or enhanced within the RAV network, the Shire has received several road nominations that have been suggested would lead to improvements to the local grain freight transport tasks.

In recording its thanks for these nominations, and to inform and assist Council with its future RAV network deliberations, the Shire will now liaise with Main Roads Heavy Vehicle Services (HVS) with a view to having the roads assessed to

determine if the roads are safe and suitable for RAV access.

It is envisaged that a further project update will be provided in March/April 2023.

TRUCK PARKING

Due to the residential nature, we would like to remind truck drivers that trucks are not permitted to park within the streets of the Koorda townsite.

The designated truck parking is in the gravel bay along Railway Street and along Haig Street near the pool (Please do not block the ambulance gates).

We thank you for your cooperation.

REPORTING EMERGENCIES

Please ensure in an emergency, you call 000.

For our local emergency service officers to be able to attend to the emergency, the incident must be lodged through 000. This includes calls for the bushfire brigade, the ambulance and the police.

Australia's emergency services and their Government and industry partners have also developed a free app called Emergency+. The app uses GPS functionality built into smart phones to help a Triple Zero (000) caller provide critical location details required to mobilise emergency services.

You can download the app through the App Store or Google Play.
