CONSULTATION PAPER ON REFORMING WA DISABILITY LEGISLATION

The State's disability sector and community has undergone big changes in a short time and to support these changes, a major reform of Western Australia's disability legislation is underway.

The Office of Disability is inviting people with disability, their families and carers, the many stakeholders, and all Western Australians who have an interest in Western Australia's disability legislation to provide feedback on the Consultation Paper on the legislation reforms. The Consultation Paper,

including accessible versions, is available for consideration at the following web pages: <https://www.wa.gov.au/organisation/departments-of-communities/disability-services> and <https://www.wa.gov.au/government/publications/reforming-western-australias-disability-legislation-consultation-paper>
