EXTENDED POWER OUTAGES

We would like to take this opportunity, given the extended power and Telstra outages issues last week, to remind our community that the Shire has a generator to keep the office going during outages and if anyone is wanting to charge devices during these times you can pop into the office to do so and we also have internet available.

Some parts of our shire have still not had their power restored and we are keeping these people in our thoughts and hoping their power is restored soon.

Western Power has an Extended outage claim if you're affected by power outages lasting 12 hours or more. You may be eligible for a service standard payment. Please go to the Western Power website page for more details. www.westernpower.com.au

KOORDA SWIMMING POOL

Due to the extended power outage, a super chlorination of the pool has taken place over the weekend.

A pool sample has been sent down today (Monday 22 January) for relevant testing, in which we hope to receive the results by Thursday afternoon. All going well, we hope to re-open the pool on Friday 26 January.

We apologise for any inconvenience this may cause and appreciate your cooperation while we ensure the pool is safe for patrons to use following the extended power outage where no filtration could occur.
