LOCAL ROADWORKS

Dukin West Road - Please expect delays when travelling through roadworks.

CORELLA MANAGEMENT

The Shire of Koorda plans to undertake a corella cull on Thursday and Friday (May 9 and 10). It is proposed that the cull will commence at the recreation ground around daybreak on both mornings.

Residents should therefore not be alarmed if they hear gunfire at that time. The officer in charge of the Koorda Police Station has been involved in discussions on the cull and advised of the proposed location.

The Shire is permitted to undertake the cull as the cockatoos are legislated as managed fauna in Koorda.

The intention of the cull earlier in the morning is to attempt to change the behavioural patterns of the corellas so to deter them arriving in town each morning.

GRANT OPPORTUNITY

The Department of Agriculture, Fisheries and Forestry has a Climate-Smart Agriculture Program with round 1 of the Small Grants open now.

Small Grants are for small-scale projects at the grassroots and community level that will support farmers and land holders to adopt sustainable agriculture best practices, as well as facilitate and implement practice change. The grants will improve management of our natural resources and increase sustainable on-farm productivity and resilience to climate change.

The grants allow for a wide range of projects and initiatives, providing opportunities for information delivery and extension as well as scaling up of existing local initiatives. New or innovative, as well as tried and tested, climate-smart, sustainable agricultural practices are in scope.
