LIBRARY NEWS

The Koorda Library Canon Camera, GoPro, Lenovo Laptop and all accessories have been provided for our community with financial assistance from the Western Australian Government through the State Library of Western Australia. We acknowledge their vital contribution and are very grateful for these exciting new additions in our library. Enjoy!

SKATE PARK UPGRADE

Congratulations to the Koorda Community Resource Centre on the brilliant upgrade of the Skate Park. It is looking bright and colourful for the children to enjoy knowing that they had contributed to the input. Thank you Darren Hutchens with the assistance from Gwenda for the leadership given with the project. Below are some progression photos of the transformation. Don't forget the official launch for the skate park is 7th September 2024.

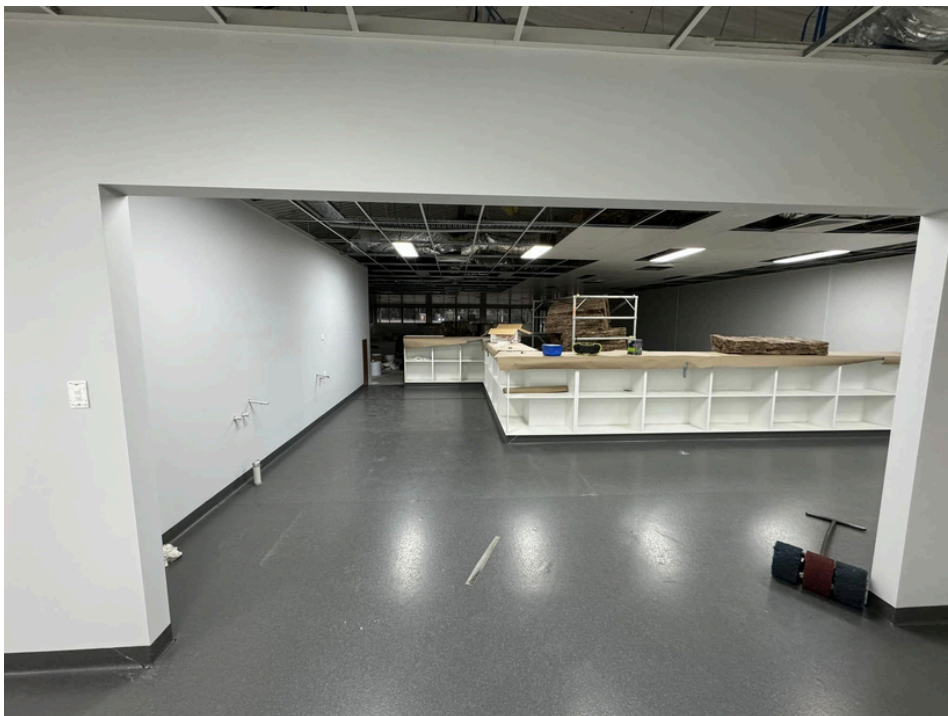

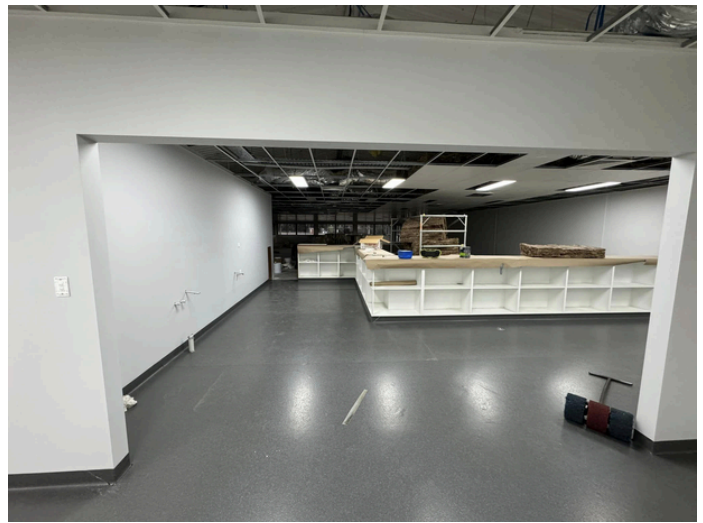

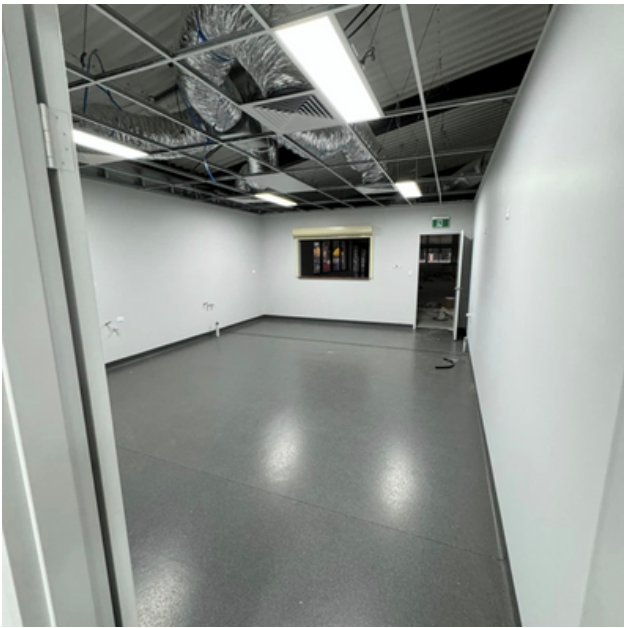

RECREATION GROUNDS

The recreation grounds renovation is starting to come together nicely. The vinyl flooring in the kitchen and behind the bar have been installed so the work can progress on the kitchen installation.

The cool room is completed with the doors and shelving installed.

Next stage will be the remaining vinyl behind the bar, the flooring to the main area and the remainder of the ceiling panels.
